Ref. No. : mutex/13/24 **Date : 19.03.2025**

TO WHOM IT MAY CONCERN

This is to certify that **Mr. Abik Vaidhya,** worked with us as Mobile App Developer in our company from **May, 2023** till **Jan, 2025**. His work with us was mostly a remote work model; but we found sincere work ethics from his side to deliver the work within deadline.

Major projects he was involved in were:

- Wholistic Minds
- Fullmoon NP
- My Hotel and Home

His major responsibilities included but not limited to :

- Work on mobile applications for international clients (U.S.) and local businesses using Flutter framework.
- Deploy apps to App Store/Play Store; ensured compliance with platform guidelines.
- Improv app performance by optimizing codebases and implementing caching mechanisms using GetX.
- Guide junior developers on best practices in state management and UI/UX design principles.
- Collaborate with cross-functional teams to deliver projects on time.

Abik was an exemplary employee with a keen mind and dependable nature. He was humble, yet confident about his ideas, asks right sets of questions and provides helpful insight to the team. We wish him every success in life.

Sincerely,

Mr. Sushant Dahal
Chief Executive Officer
