To Whom It May Concern

I am pleased to write this letter of recommendation for Abik Vaidhya, who is interested in pursuing his Master of Business Administration degree at your esteemed institution. Abik has been working as a Junior Flutter Developer under my supervision at Nipuna Prabidhik Sewa Pvt Ltd.

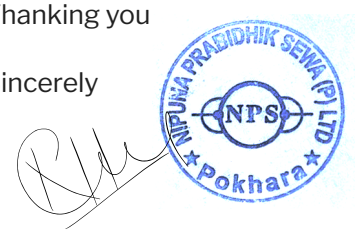

Abik joined Nipuna as an intern in March 2021 & has become a full-time employee at our company since September 2021. He was able to do so in such a short span of time due to his diligence, hard work, and innovative aptitude. He has always been enthusiastic about his work and does not leave a single stone unturned when presented with a challenge.

I am confident that Abik will prove to be one of your brilliant students owing to his exceptional ability to pick concepts and apply them in the real world. I recommend him for the business administration program at your institution, as I feel he is well-trained, ambitious, and self-effacing.

If you need any further information regarding Abik's suitability, please feel free to contact me at +977 9806786456.

Thanking you

Sincerely

Niranjan Udas
